ABOUT ME

I am a dedicated and passionate Nursery Teacher with two years of experience in early childhood education. I specialize in creating engaging and interactive learning environments that support children's cognitive, social, and emotional development. With strong classroom management and activity-based teaching skills, I strive to foster a nurturing and inclusive atmosphere where young learners can thrive. I am committed to laying a strong educational foundation and inspiring a lifelong love for learning in children.

WORK EXPERIENCE

KING PETER SCHOOL, VIKASPURI 2023 - 2024

- **Play-Based Learning:** Engaged children in interactive and experiential activities for holistic development.
- **Foundational Literacy & Numeracy:** Introduced fun, hands-on methods to strengthen early reading and math skills.
- **Inclusive Teaching:** Used storytelling, music, and art to cater to diverse learning needs.
- **Social-Emotional Growth:** Created a safe, nurturing space for children to express and develop confidence.
- **Parent Collaboration:** Maintained regular communication to support children's learning beyond the classroom.

EDUCATION POINT CONVENT SCHOOL 2024 - 2025

- **Activity-Based Learning:** Designed engaging and playful activities to enhance cognitive and motor skills.
- **Interactive Storytelling:** Used stories, puppets, and role play to develop language and imagination.
- **Multisensory Teaching:** Incorporated visual, auditory, and kinesthetic methods for effective learning.
- **Early Numeracy Skills:** Introduced games and hands-on tools to make math concepts enjoyable.
- **Fine & Gross Motor Development:** Encouraged creative play, dance, and exercises for physical growth.
- **Child-Centric Approach:** Adapted lessons to suit individual learning paces and interests.
- **NEP 2020 Implementation:** Applied holistic and competency-based teaching methodologies.
